

Hello, I'm Adeyemo OlaOluwa

FULL-STACK DEVELOPER

PORTFOLIO: [LAOLU.NETLIFY.APP](https://laolu.netlify.app)

EMAIL: OLAOLUWAADEYEMO7@GMAIL.COM

About

I am a Full-Stack web and mobile developer, with over 2 years of experience building websites and mobile applications for clients, companies, and users around the world. I specialize in the following languages and technologies: React, Javascript, Typescript, Flutter, MongoDB, Firebase, Git, etc.

Experience

JANUARY 2022 - PRESENT

Freelancing, Remote – *Web Developer*

- I have built websites for various clients using the Javascript Language and React Framework.

SEPTEMBER 2021 - JANUARY 2022

Hostville Nigeria, Lagos– *Mobile Developer Intern*

- I worked on a mobile application using Flutter, which is used to help small businesses manage their sales and inventory through automated processes.

Education

OCTOBER 2021 - JULY 2025

Pan Atlantic University, Nigeria – *Bachelors' of Economics*

Projects

iaoe

React, TailwindCSS, Typescript, Firebase, Git

A combination of a website and AI. I created an Artificial Intelligence to make the game of Tic Tac Toe unbeatable, the AI considers the player's every move and prevents him/her from winning. [Read More](#) [Live Url](#)

My Portfolio (Laolu.dev)

React, TailwindCSS, Typescript, Git

My personal portfolio, built from scratch. [Read More](#) [Live Url](#)
